- Charges are per day and include arrival and departure days whatever the time.
- Minimum of a 3 day stay (Minimum of a 5 day stay over Christmas), at a higher rate of £21.50 per cat
- A £50.00 per cat non-refundable and non-transferable deposit/booking fee is required to secure your reservation, unless the arrival date is within 7 days when full payment is necessary. (Please note that this deposit only applies to the dates entered on the reservation form – if the dates change then another reservation form and deposit will be required). The deposit is non-refundable but will be credited against the final invoice.

- A minimum of 7 days notice before the arrival date is required for cancellation or amendments to the booking details otherwise the full amount of the original booking/invoice will be payable.

HEALTH and non-collection.

- A condition of boarding is that your cat is in a fit and healthy condition with no fleas. Your cat must have had their annual vaccinations/boosters at least 2 weeks before arrival and please ensure that the vaccination cards accompany them on arrival. (If your cat is not currently up-to-date with the annual vaccinations then remember to allow 5 weeks for the course to become effective – make sure that they have had their second jab a minimum of 2 weeks before the arrival date).
- To avoid any dietary/feeding problems please bring with you sufficient food for the duration of your cats stay.
- In the unlikely event of your cat showing signs of illness during its stay with us we will endeavour to contact you or your emergency contact to discuss the situation. If necessary, we will take your cat to your vet (if within a 5 mile radius) otherwise our own vet will be used. Any fees due will be payable on collection of your cat.
- All cats are left entirely at the owners risk and we accept no liability for illness, loss or death during their stay.
- If cats are not collected within 3 days of the departure date and no communication is received from the owner, a decision on re-homing, will be made at our discretion.

WHAT TO BRING

All cats must be brought in a suitable carry case. We would suggest to bring their own bed or blanket/favourite toy/treats they like/brush/your item of clothing. Please remove your cat's collar before they arrive for safety reasons.

FOOD & DIET

Please bring sufficient food for the duration of your cats stay. This will help your cat settle and avoid any problems your cat may have in adapting to a new diet.
